SIP VALEDICTORY AT VVISM

On 25th August, VVISM celebrated the successful conclusion of yet another year of Summer Internship. The Summer Internship is one of our flagship programs where our students intern in an organization for 8-12 weeks. The main objective of this program is to help the students get their hands dirty. Which is, to give them the first taste of the corporate world to explore, try and test out what they learn in the classrooms.

Mr Sai Teja Duggempudi, CEO of FarmOR, graced the event as the Chief Guest. The SIP Valedictory, attended by an eager audience of students and faculty members, resonated with inspiration as Mr Duggempudi shared his insights on the invaluable significance of the summer internship. With a sense of pride, he handed over trophies and certificates to those who had excelled in their internships, showcasing exceptional dedication, innovation, and commitment.

We had 38 companies partnering with us from various sectors namely FMCG, Health Care, Banking & Insurance, Auditing, Consulting and Agri Inputs Manufacturing. It was a rewarding association for all of us: the Company, the School and the Students.

Since February, the efforts we put into this season yielded us 5 pre-placement offers combinedly from Berkadia and Metrics4Analytics and 3 Internship Awards of Excellence. Though these numbers might sound less, we were still able to scale a successful completion rate of 94.7%.

It is worth mentioning that we had a team of student coordinators who played a massive role for the last 6 months to make this year's internship season a success.
