The e-voting facility is available at the link:

EVSN (e-voting Sequence Number)	Commencement of e-voting	End of e-voting
240906089	26-09-2024	29-09-2024

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email id in their demat accounts in order to access e-Voting facility.

EXPLANATORY STATEMENT

[Pursuant to Section 102(1) of the Companies Act, 2013]

Item No. 3: Appointment of Statutory Auditors:

In terms of Regulation 36(5) of Listing Regulations, 2015

Your Company's Auditors, M/s. S.T. Mohite & Co, Chartered Accountants (Firm Registration No. 011410S) were appointed at the 36th AGM to hold office until the conclusion of the 41st AGM. However, vide their letter dated 2nd September, 2024 they have expressed their inability to continue as Statutory Auditors of your Company up to the conclusion of the 41st AGM. The Board thus appointed M/s. Yelamanchi & Associates, Chartered Accountants (ICAI Firm Registration No. 000041S) as Statutory Auditors of your Company to fill the casual vacancy caused by the said resignation effective from 2nd September, 2024 after working hours. M/s. Yelamanchi & Associates, Chartered Accountants is a Chartered Accountants firm established in 1993 with registration no. 000041S. M/s. Yelamanchi & Associates was co-founded by Mr. Y. Pulla Rao. The founders are associated in the field for chartered accountancy for over 30 years. Besides Taxation and Statutory Audit, the firm's practice has grown steadily in the areas of Internal Audit, Concurrent Audit/ Stock Audit, Management Audit, FEMA and Taxation of Non Residents. The Audit Committee considered various parameters and found M/s. Yelamanchi & Associates to be best suited to handle the statutory audit associated with the financial statements of the Company. In accordance with the Companies Act, 2013 and on the recommendation of the Audit Committee, the Board of Directors on 2nd September 2024, have considered and recommended the proposed appointment of M/s. Yelamanchi & Associates, Chartered Accountants as Statutory Auditors of the Company and to hold office for a period of up to 2 consecutive years from the conclusion of the 39th AGM till the conclusion of the 41st AGM. Your Company has obtained consent of M/s. Yelamanchi & Associates and a certificate in accordance with Section 139, 141 and other applicable provisions of the Act to the effect that their appointment, if made, shall be in accordance with the conditions prescribed and that they are eligible to hold office as Statutory Auditors of the Company.

The remuneration of the auditors shall be as recommended by the audit committee and approved by the board in consultation with the said auditors. Further, there is no material change in the proposed fee payable to M/s. Yelamanchi & Associates from that paid to the outgoing auditor.

None of the Directors, Key Managerial Personnel of your Company and their relatives is in any way concerned or interested, financially or otherwise in the said appointment. The Board commends the Resolution set out at Item No. 3 of the notice for approval by the members.

16. AUDITORS AND OBSERVATIONS**(a) Statutory Auditors**

M/s S.T. Mohite & Co., Chartered Accountants (Firm Registration No. 011410S), were appointed as Statutory Auditors to hold office from the conclusion of the 36th Annual General Meeting and till the conclusion of 41st Annual General Meeting. However, S.T. Mohite & Co resigned as Statutory Auditors of the Company w.e.f. closing hours of 2nd September, 2024 owing to the company being non responsive to our request for increase in audit fee which itself is very low and against ICAI recommendations. The Board of Directors noted the resignation of M/s S.T. Mohite & Co, Chartered Accountants as the Statutory Auditors in the Board meeting held on 2nd September, 2024 and upon recommendation of the Audit Committee, proposed the appointment of M/s Yelamanchi & Associates., Chartered Accountants (ICAI Firm Registration No. 000041S) as the Statutory Auditors of the Company to fill the casual vacancy. The said recommendation of the board is forming part of the Notice to the 39th Annual General Meeting for approval of members of the Company.

M/s. Yelamanchi & Associates was co-founded by Mr. Y. Pulla Rao. The founders are associated in the field for chartered accountancy for over 30 years. Besides Taxation and Statutory Audit, the firm's practice has grown steadily in the areas of Internal Audit, Concurrent Audit/ Stock Audit, Management Audit, FEMA and Taxation of Non Residents. The Audit Committee considered various parameters and found M/s. Yelamanchi & Associates to be best suited to handle the statutory audit associated with the financial statements of the Company.

Your Company has obtained consent of M/s. Yelamanchi & Associates and a certificate in accordance with Section 139, 141 and other applicable provisions of the Act to the effect that their appointment, if made, shall be in accordance with the conditions prescribed and that they are eligible to hold office as Statutory Auditors of the Company.

The remuneration of the auditors shall be as recommended by the audit committee and approved by the board in consultation with the said auditors. Further, there is no material change in the proposed fee payable to M/s. Yelamanchi & Associates from that paid to the outgoing auditor.

The financial statements of the year ended 31 March 2024 were audited by M/s S.T. Mohite & Co, Chartered Accountants. The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards prescribed under Section 133 of the Act read with the relevant rules issued thereunder (Ind AS) and other accounting principles generally accepted in India.

There are no qualifications, reservations or adverse remarks in the Audit Report issued by Auditors except as mentioned hereunder.

Sl. No.	Qualifications, Reservations or Adverse Remarks in Audit Report	Management Replies to observations of Auditors
1	Note no.47 a) the financial statements about confirmation of balances. We requested direct confirmation for the year-end balances from whom amounts were payable or receivable. However, except for secured loans, current account balances and deposits with banks, the company did not obtain direct confirmation directly for these balances. Due to lack of confirmations, and the limitations in performing alternative procedures to independently verify balances other than loans,	Agree with finding. For direct confirmation of balances we recommend the head of the department to Ensure policies and procedures are in place to Ensure all the balance confirmation must be direct Confirmations.

	deposit and current account balances with banks, we were unable to obtain sufficient appropriate audit evidence regarding the accuracy and completeness of the remaining balances as reported in the financial statements. Consequently, the potential impact of these unverified balances on the financial statements could not be determined.	
2	Note no.8 to the financial statements about the inventories. The company conducted physical verification of inventories as on 31 March 2024 which constitutes approximately 38.10% of total assets as on the balance sheet date. Due to the unique and specialised nature of the inventories, we were unable to sufficiently verify the valuation of these items. Although management provided a technical report to support the valuation, the complexity and the esoteric characteristics of the inventory limit our ability to form a reliable opinion on its accuracy. Consequently, we are unable to obtain sufficient appropriate audit evidence regarding the valuation of the inventory, and the potential impact of this matter on the financial statements could not be determined.	Agree, we have provided the valuation report of inventories valued by technical person for its accuracy and completeness of value of inventories.
3	Based on the examination which included test checks and accordance with requirements of the implementation guide on reporting on audit trail under Rule 11(g) of companies (Audit and Auditors) Rules 2014, Company has used accounting software to maintain its books of account, where in the accounting software did not have the audit trail (edit log) feature throughout the financial year under review and accordingly reporting on tampering or preservation of the audit trail is not applicable.	Agree. We have implemented an audit trail feature in accounting software from the financial year 2024-25

The Notes on the financial statements referred to therein are self-explanatory, thereby not requiring any further comments on the same.

(b) Secretarial Auditors

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has appointed M/s. MANAGEMENT DISCUSSION AND ANALYSIS**Company overview:**

Roopa Industries Limited was incorporated in the year 1985 and operates in the segment of manufacturing and marketing of bulk drugs and intermediaries.

Indian Pharma Industry and developments:

Indian Pharmaceutical market has witnessed growth in both acute and chronic diseases segments. The major reason for the growth is increase in the incident of the chronic diseases and its early detection, but still the acute disease segment dominates market share in the Indian pharmaceutical industry. Increasing urbanization, lifestyle changes and stress are responsible for the higher incidents of chronic diseases.

Opportunities and Threats

1. There is growing demand for Triphenyl Phosphine(TPP) in the international as well as in local market.
2. The raw material prices are uncertain in the market. Any steep upward price rise would affect the profitability of the unit.
3. The import of Triphenyl Phosphineoxide(TPPO)and Triphosgene for the manufacture of Triphenyl Phosphine(TPP)may affect the profitability of the Company due to exchange fluctuations.

Product wise performance

There was increase in performance in case of Triphenyl Phosphine (TPP), Iminodibenzyl (IDB), Iminodibenzyl Carbonyl chloride(IDBCC), when compared to the previous years.

Demand outlook:

The key drivers of growth include:

- Rising healthcare awareness leading to an increase in spending on medicines
- Changing life-styles leading to growing incidence of chronic ailments
- Improving health insurance coverage driven by various measures being planned/ implemented by the Indian government to bring 80% of the population under health insurance cover.
- The company is focusing on brand building and customized marketing to suit to different customers and segments especially with its main product as TPP.

Risks and concerns:

The key challenges for the Indian pharmaceutical industry include the following:

- Ensuring compliance with global GMP standards; this will involve continuous improvement in the systems and processes as well as training of the workforce.
- Government-mandated price controls on pharmaceutical products
- Increasing competition from new entrants and expanding large/medium industries.
- Credit sales demanding more working finance.
- Maintaining inventories to meet sudden & urgent requirements by buyers, thus flooring available resources.
- Continuous R & D for company effectiveness as the competition is from domestic players as well as global market such as China.

The company manages the risk through careful market research for selection of product and by continuous monitoring. The Company has consistently supported Research & Development (R&D) for sustainable value creation.

Manufacturing Facilities

The Company's key priority is to ensure world-class quality in process and operations in all its manufacturing facilities. The Company has engaged professional and technical persons in the key positions and ensuring quality production and timely delivery of goods.

The Company focussed its core business on TPP and some intermediaries. During the year the Company recorded a sale turnover of Rs.7042.62 Lakhs

Internal Control System and Its Adequacy

The Company has adequate Internal Control Systems and Procedures with regard to purchase of Stores, Raw Materials including Components, Plant and Machinery, equipment, sale of goods and other assets. The company has clearly defined roles and responsibilities for all managerial positions and all operating parameters are monitored and controlled. The Company designs and maintains accounting and internal control systems to provide reasonable assurance at reasonable cost that assets are safeguarded against loss from unauthorized use or disposition, and that the financial records are reliable for preparing financial statements and maintaining accountability for assets. These systems are augmented by written policies, an organizational structure providing division of responsibilities, careful selection and training of qualified personnel, and a program of internal audits. The company has an Internal Audit System commensurate with its size and nature of business. Our Internal Auditors of the Company give periodic reports. Internal Auditors are reviewed in the meeting of the Audit Committee of the Board. Compliance with laws and regulations is also ensured and confirmed by the Internal Auditors of the Company. Standard operating procedures and guidelines are issued from time to time to support best practices for internal control.

INDEPENDENT AUDITOR'S REPORT

TO
THE MEMBERS OF
ROOPA INDUSTRIES LIMITED

Report on the Audit of the Financial statements

Qualified Opinion

We have audited the accompanying financial statements of Roopa Industries Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes forming part of financial statements, including a summary of material accounting policies and other explanatory information ((hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, *except for the effects of the matter described in the Basis for Qualified Opinion paragraph*, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified opinion

- a) *Attention is drawn to note no.47 to the financial statements about confirmation of balances. We requested direct confirmation for the year-end balances from whom amounts were payable or receivable. However, except for secured loans, current account balances and deposits with banks, the company did not obtain direct confirmation directly for these balances. Due to lack of confirmations and the limitations in performing alternative procedures to independently verify balances other than loans, deposit and current account balances with banks, we were unable to obtain sufficient appropriate audit evidence regarding the accuracy and completeness of the remaining balances as reported in the financial statements. Consequently, the potential impact of these unverified balances on the financial statements could not be determined.*
- b) *Attention is drawn to note no.8 to the financial statements about the inventories. The company conducted physical verification of inventories as on 31 March 2024 which constitutes approximately 38.90% of total assets as on the balance sheet date. Due to the unique and specialised nature of the inventories, we were unable to sufficiently verify the valuation of these items. Although management provided a technical report to support the valuation, the complexity and the esoteric characteristics of the inventory limit our ability to form a reliable opinion on its accuracy. Consequently, we are unable to obtain sufficient appropriate audit evidence regarding the value of the inventory, and the potential impact of this matter on the financial statements could not be determined.*

We are unable to comment on the impact of the above on the financial statements for the year ended 31 March 2024.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions

of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key audit matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters :

Key Audit Matter	Auditor's Response
<p>1. Revenue Recognition</p> <p>The application of the revenue as per Ind AS 115 involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized over a period.</p> <p>Revenue from sale of goods is recognized when control of the products being sold is transferred to the customer and when there are no longer any unfulfilled obligations.</p> <p>Revenue is only recognised to the extent that it is highly probable that significant reversal will not occur. Accumulated experiences are used to estimate provisions of discounts, rebates.</p> <p>Hence, we consider this as a Key audit matter.</p> <p>Refer note no. 23 of the standalone financial statements.</p>	<p>Our audit procedures, among others include the following:</p> <ul style="list-style-type: none"> • We reviewed the Company's implementation of Ind AS 115, including recognition of the effect on opening equity and changes to procedures, accounting guidelines, disclosures and systems to support correct revenue recognition. We reviewed and discussed the accounting policy including the key accounting estimates and judgements made by management. • We tested the relevant internal controls used to ensure the completeness, accuracy and timing of revenue recognised. • We read a sample of contracts to assess whether the method for recognition of revenue was relevant and consistent with Ind AS 115, and had been applied consistently. We focused on contract classification, allocation of income and cost to the individual performance obligations and timing of transfer of control. • We tested related transactions with underlying customer contracts, and other related documentation based on which revenue is recognised. • We also assessed the revenues related disclosures in the financial statements. • We carried out analytical procedures for disclosure of disaggregated revenue. <p>We evaluated the significant judgements and estimates made by management in applying accounting policy to sample of contracts and we obtained evidence to support them, including contractual agreements, delivery records.</p>

Other Information

The Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures there to, Business Responsibility and sustainable Report, Corporate Governance and Shareholder's information, but does not include the financial statements and auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the additional information, as mentioned above, that would be included in the Integrated Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions as applicable under the relevant laws and regulations.

Responsibility of Management and those charged with Governance for the Financial statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, profit, other comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principle generally accepted in India, including Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management and Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors of the Company are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are

considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of sub-section(11) of Section 143 of the Act, we give in '**Annexure-A**' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- 2) As required by Section 143(3) of the Act, based on our audit we report that:
- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above and for the matters stated in paragraph 2(i)(vi) below on reporting under rule 11(g) of the companies (Audit and auditors) rules 2014 as amended, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the maintenance of accounts and other matters connected therewith, reference is made to other remarks in paragraph 2(b) above on reporting under section 143(3)(b) and paragraph 2(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 and the matters described in basis for qualified opinion paragraph.
 - g. With respect to the adequacy of the internal financial controls over with reference financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in '**Annexure-B**'.
 - h. With respect to other matters to be included in the Auditors Report under section 197(16) of the Act.

In our opinion and according to the information and explanations given to us the remuneration paid by the Company to its director's during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid under section 197 of the Act.

- i. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014(as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer note 33 to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There are no amounts which are required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2024.
 - iv. a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries")

- or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. No dividend is declared or paid during the year by the company and accordingly, compliance with section 123 of the Act is not applicable to the company.
 - vi. ***Based on the examination which included test checks and accordance with requirements of the Implementation Guide on Reporting on audit trail under Rule 11(g) of companies (Audit and Auditors) Rules 2014, the Company has used accounting software to maintain its books of account, where in the accounting software did not have the audit trail (edit log) feature throughout the financial year under review and accordingly reporting on tampering or preservation of the audit trail is not applicable.***

Annexure 'A' to the Independent Auditors' Report

Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Roopa Industries Limited of even date

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the course of audit, and to best of our knowledge and belief we report that:

- i) In respect of the Company's property, plant and equipment:
 - a) A) The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment.
 - B) The Company does not have any intangible assets. Accordingly, provisions of clause 3 (i)(a)(B) of the Order is not applicable to the Company for the year under review.
 - b) The Company has a regular programme of physical verification of its property, plant and equipment to cover all the assets over a period of three years which, in our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, all property, plant and equipment were physically verified during the year. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
 - c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties disclosed in the financial statements are held in the name of the Company.
 - d) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not revalued any of its property, plant and equipment during the year.
 - e) According to the information and explanation given to us and on the basis of our examination of the records of the Company, there are no proceedings have been initiated during the year or are pending against the Company as at 31 March 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988(as amended in 2016) and rules made thereunder.
- ii) The inventories have been physically verified by the management during the year. In our opinion, considering the complex characteristics of the inventory, the management has relied on the support by technical expert. The frequency of such verification is reasonable. The Company has maintained proper records of inventory. The management believes that there were no material discrepancies noticed exceeding 10% or more in the aggregate for each class of inventory on verification between the physical stock and the book records.
 - iii) During the year, the Company has been sanctioned working capital limits in excess of ₹ 5 crores, in aggregate, from banks on the basis of security of current assets. The Company has filed quarterly/monthly returns or statements with such banks, based on physical verification of stocks. Accordingly, there are no discrepancies and are in agreement with the books of accounts other than those as set out below:

Roopa Industries Limited

Sl. No.	Name of the Bank	Aggregate working capital limits sanctioned (Rs.1,200 lakhs)	Nature of current asset offered as security	Quarter ended	Amount disclosed as per Quarterly return/ statement	Amount as per books of account	Difference
1	HDFC Bank Ltd	1200	Refer Note below	30th June 2023	1817.06	1868.29	51.23
2	HDFC Bank Ltd	1200	Refer Note below	30th September 2023	2210.29	2223.68	13.40
3	HDFC Bank Ltd	1600	Refer Note below	31st December 2023	2370.11	2462.86	92.74
4	HDFC Bank Ltd	1600	Refer Note below	31st March 2024	2501.15	2516.23	15.08

Note: As per information given by the Company, the difference is on account of company not considering certain inventories which are held for more than 180 days from the day it is available for sale.

- iii) a) During the year, the Company has given an unsecured loan to another company. The aggregate amount granted during the year and balances outstanding at the balance sheet date with respect to such loan to subsidiaries are as per the details given below:

Particulars	Loans Rs. in Lakhs
Aggregate amount granted during the year.	
-Subsidiaries	-
-Others	284.67
Balance outstanding as at balance sheet date in respect of above cases:	
-Subsidiaries	-
-Others	608.38

The Company has not provided any corporate guarantee or offered security during the year.

The above amounts are included respectively in note 6 to the financial statements.

- b) In our opinion, the investments made and the terms and conditions of the grant of loans, during the year are, prima facie, not prejudicial to the Company's interest, except some inadequate documentation.
- c) In respect of aforesaid loans, the terms and conditions under which loans were granted are not prejudicial to the Company's interest, based on the information and explanation provided by the Company. In respect of loan granted by the Company to a private company, repayment is on demand basis and payment of interest has been stipulated on annual basis and receipts of interest have been generally regular as per stipulation.
- d) In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date for more than 90 days.
- e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the over dues of existing loans given to the same parties.

Roopa Industries Limited

- f) The details of loan granted, either repayable on demand or without specifying any term of repayment, are given below:

Particulars	All Parties (₹ in Lakhs)	Promoters (₹ in Lakhs)	Related Parties (₹ in Lakhs)
Repayable on demand	-	-	-
No items or repayments terms are specified	608.38	-	-
Total	608.38	-	-
Percentage of the total loans granted	100%		-

The above loan is included in--- note 6 to the financial statements.

- iv) In our opinion and according to the information and explanation given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act, in respect of loans granted, investments made as applicable. The Company has not provided any guarantees or securities.
- v) The Company has not accepted any deposits or amounts during the year as per provisions of Section 73 or 76 of the Act and relevant Rules framed thereunder. Accordingly, the clause 3 (v) of the Order are not applicable to the Company for the year.
- vi) Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under section 148(1) of the Act in respect of its products. We have broadly reviewed the same and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii) In respect of statutory dues:

- a) According to the information and explanation given to us by the Company and records of the Company examined by us, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities, though there has been slight delays in a few cases on some occasions.

There are no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income tax, Goods and Service Tax, duty of Customs, Cess and other material statutory dues in arrears as at March 31, 2024 for a period of more than six months from the date they became payable except in case of Income Tax deduction at source amounting to Rs. 28.46 lakhs and Professional tax of Rs 0.40 Lakhs.

- b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on 31 March 2024 on account of disputes are given below:

Nature of Statute	Nature of Dues	Forum where the dispute is pending	Period of Dispute	Pending Amount (in lakhs)
The Income Tax Act, 1961	Disallowance of Depreciation	Andhra Pradesh High Court	1996	13.08
The Income Tax Act, 1961	Duplicate Disallowance	Appeal to CIT (A)	2017	9.77

- viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessment under the Income Tax Act, 1961(43 of 1961).
- ix) a) According to the information and explanation given to us by the Company and records of the Company examined by us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year. Accordingly, Clause 3(ix) of the order is not applicable.
- b) The Company has not been declared a wilful defaulter by any bank or financial institution or government or any government authority.
- c) The Company has obtained term loans and applied for the purpose for which it has been obtained.
- d) According to the information and explanation given to us by the Company and based on the procedures performed by us and on overall examination of financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purpose of the Company.
- e) According to the information and explanation given to us by the Company and on overall examination of financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associate or Joint ventures.
- f) According to the information and explanation given to us by the Company and based on the procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- x) a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- b) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of share or fully or partly convertible debentures during the year. Accordingly, provisions of clause 3 (x)(b) of the Order are not applicable to the Company for the year under review.
- xi) a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have been informed of any such case by the Management.
- b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.
- c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us. The Company has not received any whistle blower complaints during the year. Accordingly, Clause 3(xi)(c) of the Order is not applicable.
- xii) The Company is not a Nidhi Company as prescribed under Section 406 of the Act and Accordingly, clause 3(xii) of the Order is not applicable.

- xiii) In our opinion, and according to the information given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable Ind AS.
- xiv) a) In our opinion and according to the information given to us, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
b) We have considered the internal audit report for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedure.
- xv) In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi) a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a)& (b) of the Order is not applicable.
b) In our opinion, there is no core investment Company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(c) &(d) of the Order is not applicable.
- xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding the financial year.
- xviii) There has been no resignation of the statutory auditors of the Company during the year. Accordingly reporting under clause 3(xviii) is not applicable to the Company.
- xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx) According to the information and explanation given to us by the Company and on verification the provisions of section 135 (Corporate Social Responsibility) of the Act, are not applicable to the company for the period under review. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year under review.
- xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

Annexure 'B' to the Independent Auditors' Report

(Referred to in paragraph 2 (g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Roopa Industries Limited ("the Company") as of 31 March 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the Orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls over to financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with reference to financial statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the

transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanation given to us and based on our audit, a material weakness has been identified as at 31 March 2024, that the company did not have an appropriate internal control system for obtaining confirmation of payable and receivable balances, which could potentially result in misstatement of balances.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

We have considered the material weakness identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of financial statements of the company and the material weakness does not affect our opinion on the financial statements of the company.

In our opinion, except for the possible effects of the material weakness described above on the achievement of objectives of the control criteria, the company has maintained, in all material respects, adequate internal control over financial reporting and such internal control over financial reporting were operating effectively as on 31 March 2024 based on the internal control over financial reporting criteria established by the company, considering the essential components of internal control stated in Guidance Note on Audit of internal control over financial reporting issued by Institute of Chartered Accountants of India.

NOTES FORMING PART OF FINANCIAL STATEMENTS

1. Notes forming part of Financial Statements

1.1 Corporate Information

Roopa Industries Limited (“the Company”) was incorporated 1985 under the Companies Act, 1956 as a Private Limited Company with the name “Roopa Granites Private Limited”, the name of the company is changed to “Roopa Granites Limited” on 1992 and changed its name to M/s. Roopa Industries in 1994, as on date it is Public Limited Company, The Company has registered office at 17/745, Alur Road, Adoni, Kurnool, Andhra Pradesh, India. The Company is engaged in manufacturing of Bulk drugs/Drug Intermediates, and its shares are listed on the Bombay Stock Exchange of India Ltd., The principal accounting policies applied in the preparation of the financial statements are set out below.

The Financial Statements for the year ended 31 March, 2024 were approved by Board of Directors and authorized for issue on 30 May, 2024.

1.2 Basis of Preparation and Presentation of Financial Statements

The financial statements of the Company have been prepared and presented in accordance with the Indian Accounting Standards (“Ind AS”) notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The Financial Statements have been prepared on historical cost convention on accrual basis of accounting except for certain financial instruments that are measured at fair value, of Indian Accounting Standards as specified in Section 133 of the Act read together with Rule 4 of Companies (Indian Accounting Standard) Amendment Rules, 2016 to the extent applicable, pronouncements of regulatory bodies applicable to the Company and other provisions of the Act. Accounting Policies have been consistently applied except where a newly issued Accounting Standards is initially adopted or revision to existing Indian Accounting Standards requires a change in the accounting policy hitherto in use. Management evaluates all recently issued or revised Accounting Standards on an on-going basis.

1.3 Basis of Measurement

All assets and liabilities are classified into current and non-current based on the operating cycle of less than twelve months or based on the criteria of realization/settlement within twelve months period from the balance sheet date.

1.4 Accounting Estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management’s best knowledge of current events and actions, actual results could differ from these estimates which are recognized in the period in which they are determined.

a. Depreciation and amortization: Depreciation is based on Schedule II to the Companies Act, 2013, which describes useful lives of property, plant and equipment.

b. Provisions and contingencies: Provisions and contingencies are based on the Management’s best estimate of the liabilities based on the facts known at the balance sheet date.

c. Fair valuation:

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows: Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date; Level 2: Inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and Level 3: Inputs are unobservable inputs for the asset or liability. For assets and liabilities that are recognized in the Financial Statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. At each reporting date, the Company analyses the movements in the values of assets and liabilities which are required to be re-measured or reassessed in line with the Company's accounting policies. For this analysis, the Company verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.5 Critical Accounting Judgements and Key source of estimation uncertainty operating cycle:

In the application of the company's accounting policies, the management of the company are required to make judgments, estimates, and assumptions about the carrying amounts of the assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognized in the period in which the estimates is revised if the revision effects only that period or in the period of the revision and future periods in the revision effects both current and future periods.

The following are the areas of estimation uncertainty and critical judgements that the management has made in the process of applying the Company's accounting policies and that have the most significant effects on the amounts recognized in the financial statements.

i) Provisions and contingent liability:

On an ongoing basis, Company reviews pending cases, claims by third parties and other. For contingent losses that are considered probable an estimated loss is recorded as an accrual in financial statements. Loss Contingencies that are considered possible or not provided for but disclosed as Contingent liabilities in the

financial statements. Contingencies the likelihood of which is remote are not disclosed in the financial statements. Gain contingencies are not recognized until the contingency has been resolved and amounts are received or receivable.

ii) Useful lives of depreciable assets

Management reviews the useful lives of depreciable assets at each reporting. As at March 31, 2017 management assessed that the useful lives represent the expected utility of the assets to the company. Further, there is no significant change in the useful lives as compared to previous year.

1.6 Functional and presentation currency

These financial statements are presented in Indian rupees, which is also the functional currency of the Company. All financial information presented in Indian rupees.

2 Material Accounting Policies

2.1 Property, Plant & Equipment

Recognition and measurement

Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment loss, if any. Cost includes expenditures that are directly attributable to the acquisition of the asset i.e., freight, duties and taxes applicable and other expenses related to acquisition and installation. The cost of self-constructed assets includes the cost of materials and other costs directly attributable to bringing the asset to a working condition for its intended use. Borrowing costs that are directly attributable to the construction or production of a qualifying asset are capitalized as part of the cost of that asset.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continuous use of the asset.

Gains and losses upon disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognized net within in the statement of profit and loss.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The costs of repairs and maintenance are recognized in the statement of profit and loss as incurred.

Items of property, plant and equipment acquired through exchange of non-monetary assets are measured at fair value, unless the exchange transaction lacks commercial substance or the fair value of either the asset received or asset given up is not reliably measurable, in which case the asset exchanged is recorded at the carrying amount of the asset given up.

Property, Plant and Equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital Work-in-Progress".

Depreciation

Depreciation is recognized in the statement of profit and loss on Straight line basis over

the estimated useful lives of property, plant and equipment based on Schedule - II to the Companies Act, 2013 ("Schedule"), which prescribes the useful lives for various classes of tangible assets. Land is not depreciated.

Particulars	Years
Buildings	
Factory and administrative buildings	30
Plant and equipment	20
Furniture and fixtures	10
Office equipment	5

2.2 Financial Instruments

A. Financial Assets

i. Initial Recognition

In the case of financial assets, not recorded at fair value through profit or loss (FVPL), financial assets are recognized initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

ii. Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in the following categories:

a. Financial Assets at Amortized Cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognized in the Statement of Profit and Loss.

b. Financial Assets Measured at Fair Value

Financial assets are measured at fair value through OCI if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in the Statement of Profit and Loss.

Investment in Equity Instruments are designated as Financial Assets measured at fair value through OCI and Investments in Mutual Funds are designated as Financial Assets measured at fair value through statement of Profit & Loss on date of transition.

c. Impairment

In accordance with Ind AS 109, expected credit loss (ECL) model for measurement and recognition of impairment loss on the trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18. As Company trade receivables are realized within normal credit period adopted by the company, financial assets are not impaired.

d. De-recognition

The Company de-recognizes a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

B. Financial Liabilities

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

i. Initial Recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as appropriate. All financial liabilities are recognized initially at fair value and in the case of loans and borrowings and payables, net of directly attributable transaction costs.

ii. Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

a. Financial liabilities at FVTPL

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

iii. De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

2.3 Impairment

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generated Units (CGU) to which the asset belongs. If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

2.4 Cash and Cash Equivalents

Cash and Bank balances comprise of cash balance in hand, in current accounts with banks and Bank Fixed Deposits with maturity of 3 months or less than 3 months.

2.5 Employee Benefits

Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Defined Contribution Plan

Employee State Insurance is a defined contribution scheme of the Government of India under which both the employer and employee contribute on a monthly basis at a pre-determined rate and the Company has no further obligation.

Defined Benefit Obligations

The Company has an obligation towards gratuity, a defined benefit plan covering eligible employees. The plan provides for lump sum payment on retirement, death while in employment or on separation.

2.6 Borrowing Cost:

Borrowing costs are charged to the Statement of Profit and Loss except in cases where the borrowings are directly attributable to the acquisition, construction or production of qualifying asset till it is put to use.

2.7 Government Grants:

Ind AS 20 gives an option to present the grants related to assets, including nonmonetary grants at fair value in the balance sheet either by setting up the grant as deferred income or by deducting the grant in arriving at the carrying amount of the asset. Accordingly Sales Tax Deferment amount payable to Department has been considered as Government Grant and considered the interest expenses and amortization benefit is considered in Profit and Loss Account and Balance Sheet.

2.8 Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

2.9 Revenue recognition

Sale of goods

Revenue is measured at the fair value of the consideration received or receivable by the Company for goods supplied and services provided excluding applicable taxes. Revenue is recognised upon transfer of controls of promised goods and services under a control.

Revenue is recognized, when the significant risks and rewards of the ownership have been transferred to the buyers and there is no continuing effective control over the goods or managerial involvement with the goods. Sales include Job work charges received on contract manufacturing operations. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes and duties.

Other Income

Other income includes Dividend, Interest, Profit / (Loss) on sale of Investments, Commission, Professional and Technical Services and other miscellaneous receipts if any. Dividend income from investments is recognized when the Company's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably). Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on time proportionate basis, by reference to the principle outstanding and at the effective interest rate applicable. Commission income is recognised when the economic benefits associated with the transaction will flow to the entity or the amount of revenue can be measured reliably.

When the transaction involving the rendering of services is estimated reliably, revenue associated with the transaction shall be recognised by reference to the stage of completion of the transaction at the end of the reporting period.

The outcome of the transactions can be estimated reliably when all the following conditions are satisfied:

- (a) The amount of revenue can be measured reliably;
- (b) It is probable that the economic benefits associated with the transaction will flow to the entity;
- (c) The stage of completion of the transaction at the end of the reporting period can be measured reliably; and
- (d) The costs incurred for the transaction and the costs to complete the transaction can be measured reliably

2.10 Income Tax

Current Tax

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred Tax

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to reassess realisation.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Minimum Alternative Tax ("MAT") credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

2.11 Earnings Per Share

The Company presents basic and diluted earnings per share ("EPS") data for its ordinary shares. Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

2.12 Recent pronouncements

Ministry of corporate affairs (MCA) Notifies New standards on Amendments to the existing standard "Under Companies (Indian Accounting standard) Rules as issued from time to time. For the year ended 31 March 2024 MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

35. Segment Reporting

Ind AS 108 establishes standards for the way that public business enterprises report information about operating segments and related disclosures about products and services. Based on the 'Management' approach as defined under Ind AS108, the Chief Operating Decision Maker (CODM) evaluates the performance on a periodical basis and allocates resources based on an analysis of the performance of various Businesses. The CODM is the Managing Director. The accounting principles used in the preparation of the financial statements are consistently applied to record revenue and expenditure in individual segments and are as set out in the Material Accounting Policies. Since, the Company is mainly pursuing only one activity i.e. manufacturing and selling of Bulk Drugs and Drug Intermediates, reporting of segment revenue and results does not arise.

NOTES TO FINANCIAL STATEMENTS

i. Regulatory Framework:

There are no minimum funding requirements for a gratuity plan in India. The Company has chosen not to fund the gratuity liabilities of the plan but instead carry a provision based on actuarial valuation in its books of accounts. The only regulatory framework which applies to such plans is if the company is covered by the Payment of Gratuity Act, 1972 then the Company is bound to pay the statutory minimum gratuity as prescribed under this Act.

ii. Governance of the Plan:

The Company is responsible for the overall governance of the plan. Since the plan is unfunded, the governance of the plan is limited to employees being paid gratuity as per the terms of the plan.

In accordance with applicable Indian Laws, the company Provides for gratuity a defined benefit plan covering eligible employees. Liabilities with regard to gratuity are determined by actuarial valuation on the reporting date and the plan is unfunded.

iii. Risk exposures: Valuations are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary over time. Thus, the Company is exposed to various risks in providing the above benefit which are as follows:

- (a) Interest Rate risk: The plan exposes the Company to the rise of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements).
- (b) Liquidity Risk: This is the risk that the Company is not able to meet the short-term Benefit payouts. This may arise due to non availability of enough cash / cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.
- (c) Salary escalation Risk: The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.
- (d) Demographic Risk: The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.
- (e) Regulatory Risk: Benefit is paid in accordance with the Provisions of Gratuity Act 1972 (as may be amended from time to time). There is a risk of change in provisions of Gratuity Act requiring higher Plan Benefit pay outs (e.g. change in benefit formula).
- (f) Asset Liability Mismatching or Market Risk: The duration of the liability is longer compared to duration of assets, exposing the Company to market risk for volatilities/fall in interest rate.
- (g) Investment Risk: The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

iv. Amendments, Curtailments and Settlements - Not applicable in this case

V. Disaggregation of plan assets: The plan is unfunded and therefore has not invested directly in any property occupied by the Company nor in any financial securities issued by the Company.

Vi. Key Actuarial assumptions:

- (a) Demographic assumptions
 - i. Retirement age of employees of the company are assumed at 58 years

NOTES TO FINANCIAL STATEMENTS

ii. Mortality:

Published rates under the Indian Assured Lives Mortality (2012-14) Ult table.

Rates of Indian Assured Lives Mortality table at specimen ages are as shown below:

Age (Years)	Rates (p.a.)
18	0.000874
23	0.000936
28	0.000942
33	0.001086
38	0.001453
43	0.002144
48	0.003536
53	0.006174
58	0.009651

iii. Financial assumptions

The key actuarial assumptions adopted for the purposes of this valuation are given below:

Particulars	Period Ended	
	31 March 2024	31 March 2023
Discount rate (p.a.)	7.40%	7.20%
Salary escalation rate (p.a.)	5.00%	5.00%

Vii. Sensitivity Analysis:

Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to are discount rate and future salary escalation rate. The following table summarizes the change in defined benefit obligation and impact in percentage terms compared with the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 50 basis points.

Particulars	Period Ended 31 March 2024	
	Discount Rate	Salary Escalation Rate
Define benefit obligation on increase in 50 bps	4,769,908	4,881,608
Impact of increase in 50 bps on DBO	-1.17%	1.28%
Defined benefit obligation on decrease in 50 bps	4,880,645	4,768,585
Impact of decrease in 50 bps on DBO	1.26%a	-1.20%

These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analyses.

Special Events:

There are no special events such as benefit improvements or curtailments or settlements during the inter-valuation period.

Viii. Funding Arrangements & Policy:

There is no compulsion on the part of the Company to pre fund the liability of the plan. The Company's philosophy is to not to externally fund these liabilities but instead create an accounting provision in its books of accounts and pay the gratuity to its employees directly from its own resources as and when the employee leaves the Company.

The expected contribution payable to the plan next year is therefore Nil.

IX. Projected plan cash flow and maturity profile:

The table below shows the expected cash flow profile of the benefits to be paid to the current membership of the plan based on past service of the employees as at the valuation date:

Maturity Profile	(in ₹)
Expected benefits For year 1	3,861,285
Expected benefits For year 2	34,167
Expected benefits For year 3	34,349
Expected benefits For year 4	37,578
Expected benefits For year 5	40,071

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the Asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3 — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions

NOTES TO FINANCIAL STATEMENTS

that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The investments in certain quoted and unquoted instruments which are held for medium or long-term strategic purpose and are not held for trading purpose. Upon application of IND AS 109, the company has chosen to designate these equity instruments at FVTOCI as the management believe that this provides a more meaningful presentation for medium or long-term strategic investments, than reflecting changes in fair value in profit and loss account.

Financial instruments and risk management framework

The Company's activities expose it to a variety of financial risks, including credit risk, liquidity risk and Market risk. The Company's risk management assessment and policies and processes are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the Audit Committee is responsible for overseeing the Company's risk assessment and management policies and processes.

a) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business.

Trade Receivables - The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the Company uses Expected Credit Loss (ECL) model for assessing the impairment loss. As Company trade receivables are realised within normal credit period adopted by the company, hence the financial assets are not impaired.

Financial assets that are neither past due nor impaired - None of the Company's cash equivalents, including deposits with banks, were past due or impaired as at 31 March, 2024.

b) Liquidity Risks

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

As of 31 March, 2024 and 2023 the Company had unutilized credit limits from banks of Rs. 69.41 Lakhs and Rs.1.29 Lakhs respectively.

As of 31st March, 2024, the Company had working capital (current assets less current liabilities) of Rs.607.71 Lakhs including cash and cash equivalents of Rs.297.76 Lakhs, As of 31 March, 2023, the Company had working capital of Rs.251.26 Lakhs including cash and cash equivalents of Rs.194.52 Lakhs.

NOTES TO FINANCIAL STATEMENTS
